

Sept 2016: Site C Construction and Environmental and Non- Construction Contractors' Job Groupings

The table below shows¹ the latest Site C Construction and Environmental and Non-Construction Contractors numbers², broken down by job groupings. As with any construction project, the number and type of workers will vary due to the seasonal nature of construction work and the type of work performed.

The data below is reflective of Construction and Environmental and Non-Construction Contractors that are required to provide job classification data. Job classification data not required by contractors is also noted. Data provided by Site C contractors are subject to revision. Data not received by project deadline may not be included in the numbers.

¹ Employment numbers are direct only and do not capture indirect or induced employment.

² Construction and Environmental and Non- Construction Contractors includes work performed on Site C dam site, transmission corridor, reservoir clearing area, public roadwork, worker accommodation and services, and office staff.
