

What we're doing to prevent the spread of COVID-19 at Site C

Follow all government guidance

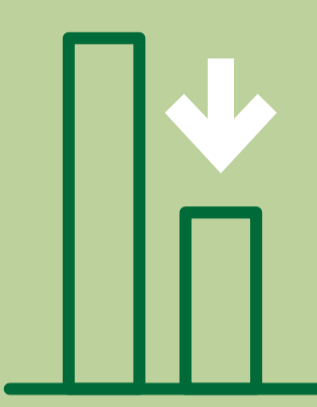

Mandatory pre-screen questionnaire before boarding flights and accessing site

Mandatory temperature check before entering site

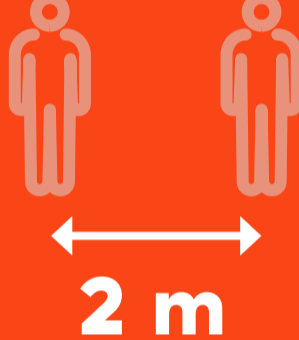

Capacity on airport shuttle and crew buses decreased

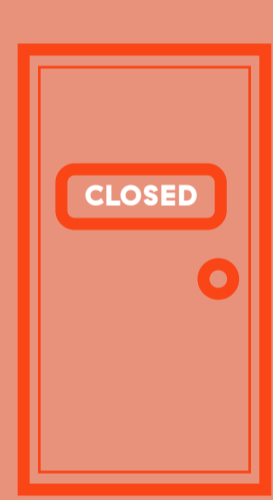

Reduction in camp occupancy

Contractors lengthened work shift rotations

Practice physical distancing, barriers or PPE

Lodge common areas closed

Reduced the number of tables in the dining hall

One chair per table in dining room

Disinfecting surfaces every 2 hours

Fully-equipped medical clinic

Separate self-isolation wing

Suspended shuttle between Fort St. John and camp
