

What we're doing to prevent the spread of COVID-19 at Site C

	Follow all government guidance		Practice physical distancing, barriers or PPE		Fully-equipped medical clinic
	Mandatory pre-screen questionnaire before boarding flights and accessing site		Lodge common areas closed		Separate self-isolation wing
	Mandatory temperature check before entering site		Reduced the number of tables in the dining hall		Suspended shuttle between Fort St. John and camp
	Capacity on airport shuttle and crew buses decreased		One chair per table in dining room		
	Reduction in camp occupancy		Disinfecting surfaces every 2 hours
